- ✓ NO added sugars², alcohol, gluten & GMO
- ✓ NO artificial flavours or colours
- ✓ Suitable for vegans
- ✓ Single dose sachets, convenient & easy to use
- ✓ The gel format provides an easy alternative for those who have trouble swallowing tablets or capsules.

How does Liposhell® technology work?

High quality liposomes act as stable carriers, encapsulating and protecting the iron for its efficient transport to the body's cells for **increased bioavailability and high absorption**. The liposomal form of iron encapsulated in Ferro Lipo-Sachets® reduces the risk of digestive side effects such as metallic taste, nausea, vomiting, abdominal pain, constipation^{1,3} which are commonly experienced with iron supplements.

ACTIVE INGREDIENTS:

Each 5g sachet contains Ferric ammonium citrate 93.5 milligrams equivalent to 20 milligrams of elemental iron.

DOSAGE:

Adults 18 years and over: 1 sachet once daily. Consume the contents of one sachet as is or dissolve in a small amount of cold, still water or juice. It can be consumed with a meal. Do not exceed the daily recommended dose.

ALWAYS READ THE LABEL AND FOLLOW THE DIRECTIONS FOR USE

DIETARY SUPPLEMENT. NOT FOR THE TREATMENT OF IRON DEFICIENCY OR IRON DEFICIENCY ANAEMIA.
